

Dear NUS student,

Good day to you from **RECRUIT Holdings Japan!**

When you think about your future career,

“Starting my career in **JAPAN as a Management Trainee”**

Has this idea ever crossed you mind?

Does this initial stepping stone sound attractive to you?

More than 10 Japanese MNCs are hiring 20 fresh university graduates from across Asia to work at their offices in Japan as Management Trainees

Selection Process: Registration → Test → Interview → Selection

If you even have the slightest interest, don't miss this great opportunity rewarded to top university students in Singapore & the region!! We, Recruit Holdings, are here to assist you!

The “WORK IN JAPAN” program

For Japanese companies to compete in the challenging global market and break the barrier to be successful both domestically and globally, hiring foreign talents is the key to success and continuous corporate development.

RECRUIT Japan has tied up with 10 companies to offer unique opportunities with great career paths and training programs for graduating students from top universities across the region.

We are here to engage talents like you to be on their management track and be part of the management team in the future. As Management Trainees, you can look forward to an exciting new career in Japan and embark towards a leadership role back in your home country or within the region in the near future.

*Job opening details attached

Selection Process

1. Registration

To be part of this great career opportunity, please register <http://workinjapan.asia/index.php>

2. Test

We will be at your campus and our RGF office to facilitate a brief info-sharing session and the SPI Test. For opportunities to be shortlisted for interviews with the employers, you will need to sit in for the assessment test.

Venue and other details of the event will be sent to you in a separate e-mail once you are registered as an official applicant.

3. Interview

If you pass the test, you will be interviewed directly and face-to-face by the hiring companies on 16th – 21st August 2014 in Tokyo Japan. (We will pay for round-trip air tickets and accommodation fee)

4. Selection and Go to Japan in 2015!!

Don't miss this opportunity and register to secure a slot! We look forward to meeting you on event day!
