# PARTICIPATING COMPANIES

## Arkedge Space Inc.

Design, manufacturing, and operation service of spacecraft (microsatellites), ground stations and related components. Software development, education and consulting services, related to the above.

<https://arkedgespace.com/en>

## AWL Inc.

Together with multinational members from 17 countries, AWL develops and offers AI camera solutions to solve issues and enhance value at retail stores.

<https://awl.co.jp/en/>

## teamLab Inc.

teamLab is looking for specialists in the information. We create works through “experimentation and innovation” making the borders between technology, art, and design more ambiguous.

<https://www.teamlab.art/>

## Uniqlo Singapore PTE LTD.

We seeks to deliver the joy, happiness, and satisfaction of wearing great clothes to all people worldwide. Our corporate philosophy is: Changing clothes. Changing conventional wisdom. Change the world.
