

2022 Campus Summer Analyst - Global Investment Research Division

Location(s): Singapore

ABOUT GOLDMAN SACHS

The Goldman Sachs Group, Inc. is a leading global financial services firm providing investment banking, securities, investment management and consumer banking services to a substantial and diversified client base that includes corporations, financial institutions, governments and consumers. Founded in 1869, the firm is headquartered in New York and maintains major offices in London, Tokyo, Hong Kong, Singapore, Bengaluru and other major financial centers around the world. Internal Audit (IA) supports the Board of Directors' Audit Committee and senior firm leadership in fulfilling their oversight roles by independently assessing the firm's internal control structure, raising awareness of control risk, providing advice to management in developing control solutions, and monitoring the implementation of management's control measures.

RESPONSIBILITIES AND QUALIFICATIONS

General Responsibilities:

- Provide integral support to single stock research teams
- Build, maintain and update company forecasts and valuation models
- Conduct market share, macro trend, and cross company and sub sector data analysis
- Work closely with Content Management Group to ensure timely publication of research reports
- Prepare and produce insightful company specific projects
- Perform statistical analysis of economic data, fundamentals, and relevant correlations of the data
- Listen to and produce briefing notes on companies' conference calls and analyst briefings
- Attend morning calls and contribute as necessary
- Update monthly reports, marketing books, and daily valuation sheets
- Respond to ad hoc requests from clients, sales and traders

Basic Qualifications:

- Graduating from August 2022 to July 2023* with a Bachelor or Master Degree
- Excellent verbal and written communication skills
- Meticulous attention to detail and strong organizational skills
- Ability to demonstrate exceptional analytical skills, lateral thinking, and judgment
- A proactive approach and a high level of enthusiasm and motivation for the financial markets
- Excellent skills in Microsoft Office applications (Excel, Word, PowerPoint)
- Ability to meet aggressive deadlines and work under pressure
- ASEAN (Including but not limited to Hindi, Malay, Filipino, Bahasa, Thai, Vietnamese) language skills (spoken and written) are required as this role involves interaction with colleagues and clients across Asia Pacific and ASEAN regions.

*This is a future opportunity in our 2022 campus summer analyst program

We ask all interested candidates to also submit an application through our global recruiting portal which can be found at goldmansachs.com/careers.

Make things possible.
