**Subject: Call for application for AUN-KASEAS Exchange Fellowship Programme 2011**

Dear President/Rector/Vice-Chancellor of the AUN Member Universities,

According to the success of the ASEAN-ROK Academic Exchange Programme for 12 consecutive years since its inception in 1999, the AUN Secretariat is pleased to announce the call for application for the Exchange Fellowship programme 2011. This Programme is designed to offer scholars and students from Korean and Southeast Asia opportunities to experience and understand each other by conducting research in areas that are essential for the construction of ASEAN-Korea solidarity.

In this regard, we would like to seek your kind cooperation in distributing the information of this Programme to graduated students, researchers, and university professors who have keen interest in Korean Studies and other comparative themes. The application process and term of reference are enclosed for your information.

Since we request the applicants to submit their application materials through the Universities, **we, therefore, would highly appreciate if you could forward the application either by post to the AUN Secretariat or by scanned mail to [aun.naparat@gmail.com](mailto:aun.naparat@gmail.com) within 15 December 2011.**

We, the AUN and KASEAS, strongly believe that this Programme will bring together a fruitful research cooperation and bring about a successful result to promote the relationship between ASEAN and the Republic of Korea as well as the mutual understanding between the two regions.

Yours sincerely,
